An affordable new way to decorate windows and glass doors with the beauty of stained glass has been introduced by Wallpaper For Windows!™.

The Deco Tint™ collection features a decorator's palette of twelve (12) stained glass colors that can be arranged and combined to give a new look to existing windows and glass doors.

Each decorator color is available in both a see-through and privacy version. To 'soften' the view and create a little privacy, the see through colors are not crystal clear. The privacy versions are like frosted glass with color, creating privacy without darkening the room.

Available colors range from very light tint colors such as Mint, Sky Blue, Sandstone and Dusty Rose to more intense colors including Amber, Ocean Blue, Spring Green, Lavender, Morning Sun and Ruby.

Deco Tint™ presents a bounty of new decorating opportunities. From adding a hint of color to a splash of colors, countless designs and color combinations can be created when decorating French paned doors and windows, arched and transom windows and more.

Cover windows, glass doors, shower enclosures, cabinet doors and even glass tables with Deco Tint's decorator colors to make a big difference in any room. Another great feature is how easy Deco Tints are to measure, trim to size and apply; which requires only water and the included squeegee. The tint films are adhesive-free, so they can be removed and reapplied if needed.

Other benefits include UV filtering and energy savings. But it is the new ways to decorate with color and the opportunity for anyone to create their own custom look, that makes Deco Tint™ an exciting new product.

Since Wallpaper For Windows™ started the adhesive-free decorative film industry in 1996, it has earned national recognition for its wide array of beautiful products. Most recently receiving the Creative Home Arts Club Seal of Approval, with a Member Tested & Recommended 100-percent approval rating.

Wallpaper for Windows offers a variety of window coverings and decorative accents in etched and stained glass designs (and now colors). Prices range from \$14.95 to \$99.
