NEW! Allure Leaded Glass

Beautiful New Leaded Glass Designs

Our new leaded glass designs give an upscale new look to glass doors, side lights, windows, mirrors and more.

Featuring looks that range from contemporary to traditional, our leaded glass designs are an easy way to give an ordinary door a custom new look with the benefits of decor, UV protection and energy savings.

Shown here is our brand new Orleans design, which is available in a variety of sizes to accommodate the many different sizes of glass doors; sliding glass doors, French doors, storm doors, shower doors and entry doors.

The Orleans Leaded Glass design is also available in a privacy version, [click here](#) to visit the Orleans Leaded Glass privacy version.

More Sizes And Options

Our popular Tiffany stained glass inspired centerpieces easily beautify any room. They're a simple and affordable way to add color, style and personality to your glass doors, windows and more.

Now, due to popular demand, we've added new sizes to our collection of centerpiece designs. Shown here is our Lost Lake pattern in a new smaller size, which allows for this stunning mirror image.

Additional patterns available in these variety of sizes include:

Let Us Do The Trimming

Don't forget that most of our products are available trimmed to size. You can eliminate the most stressful part of your project by letting us do the trimming. Whether you need a sheet trimmed into one or two pieces or 15 pieces, it is only \$6.50 per sheet. And we trim to create the best looking results, designs that have patterns such as Biscayne, Allure, etc. are trimmed to be balanced and centered.
